An information pop up will appear. Read through the information and then click the "Calculate" button.

Calculate Scores...

Clicking the calculate button will do the following:

- Fill in or remove the appropriate values in the **Teacher SGO Score** column.
- Fill in or remove the **Total Teacher SGO Score** field.

Scores do **NOT** automatically update when values on the form changes.

⚠ The values in the **Weighted** columns are not currently used in the calculations.

If your scores are whole numbers and meet the automatic scoring criteria, the system will fill in your SGO and weighted scores.

Scoring Plan
 State the projected scores for each group and what percentage/number of students will meet this target at each attainment level.
